MECA
Medical Equipment Compliance Associates, LLC
5060 West Ashland Way,
Franklin WI 53132, USA

IECEE CB Scheme Status of MECA

MECA has been assessed by the IECEE for the CB Scheme, and determined to fully comply with the requirements of ISO/IEC 17025: 2005-05, The Basic Rules, IECEE 01: 2011-10 and Rules of Procedure IECEE 02: 2009-12, and the relevant IECEE CB-Scheme Operational Documents.

The ongoing IECEE CB Scheme status and scope (Product Category and Standards) for Medical Equipment Compliance Associates, LLC are listed on the IECEE Web Site at:

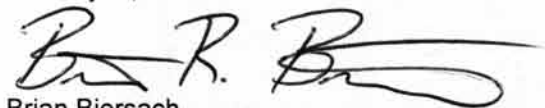

http://members.iecee.org/IECEE/IECEEMembers.nsf/ShowScopeV2?openform&SelectedEntity_CleDoc=DOMM-7LALKE
MECA's Listing on this web site is verification of our continued coverage under the IECEE CB Scheme.

The previous IECEE CB Scheme Certificate (available on MECA's website at <http://60601-1.com/background.htm>), was issued on 2008-11-11, and remained valid until 2011-05-09, at which time it was to be reissued by the IECEE Executive Secretary upon successful completion of the normally scheduled 3-year Reassessment Programme administered by the IECEE CB Scheme.

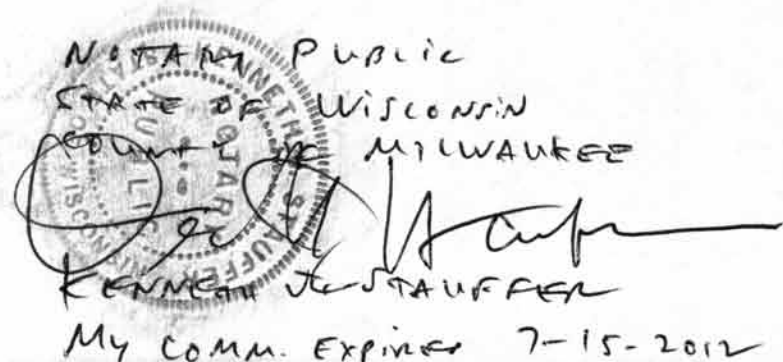

The 2011-03-28 audit was completed, and to date, the Certificate has not been provided. Due to the extended time that it has taken the IECEE to complete their documentation, and generate the new Certificate, they issued a temporary Certificate on 2011-11-21. That certificate remained valid until December 31st 2011 at which time it was expected that the new Certificate would be provided by the IECEE to cover the full 3 year reassessment time.

This document is to declare that MECA continues to be in full compliance with the IECEE CB Scheme requirements of ISO/IEC 17025: 2005-05, The Basic Rules, IECEE 01: 2011-10 and Rules of Procedure IECEE 02: 2009-12, and the relevant IECEE CB-Scheme Operational Documents, since the initial certificate, which was issued on 2008-11-11.

Thank you,

Brian Biersach
